CIRCLE HEALTH URGENT CARE LOCATIONS

COVID-19 UPDATE

COVID-19 testing for travel purposes has been suspended effective 1/6/22

Urgent Care Services

Walk-in care is now available for any illness or injury, including if you are feeling COVID-19 symptoms. We treat non-life threatening conditions and other ailments that require prompt medical attention, such as: allergies, rashes, scrapes or lacerations, sprains or possible fractures, stings and bites, minor burns, or conditions needing X-rays or laboratory tests. Telemedicine and video conference appointments are also available. Save time with advance check-in at www.circle-health.org/urgentcare.

All Urgent Care locations are open Monday-Sunday, 8:00am-8:00pm

Billerica Urgent Care is CLOSED Mondays-Tuesdays through 2/9/22
