Membership in the
Lowell General Hospital Auxiliary
is open to the entire community.

Since its inception in 1951, the Lowell General Hospital Auxiliary has actively worked to promote and advance Lowell General Hospital through ways approved by the Governing Board of the hospital. The Auxiliary provides its members, the hospital and the community at large with the opportunity to enjoy elegant social events, purchase unique items in our gift shops and through special sales, and engage in educational healthcare programs. These fundraising efforts provide important philanthropic support to the hospital. Over the years, the Auxiliary has donated over \$3.5 million to Lowell General Hospital, including a significant \$750,000 pledge to the hospital's Legacy Fund campaign to complete the Dahod Building.

Our members receive our newsletter and invitations to special events including the annual Taste of the Town, A Winter Affair, and our Annual Meeting. Members help support our fundraising efforts by volunteering or supporting these events, as well as Daffodils and Desserts, and our Book Fairs on the Main and Saints campuses.
